

GRADUATE TRAINEE ACTUARIES – CENTRAL LONDON

ACTUARIES IN THE PUBLIC SECTOR FOR THE PUBLIC SECTOR

At the Government Actuary's Department we are renowned for the quality of our advice. This is because we select only the most promising recruits.

Providing consultancy advice to some of the largest pension schemes in the UK, our work is crucial to the welfare of millions of people. Our graduates are the actuaries of the future.

As a trainee actuary you will work as part of a team, with qualified actuaries, to deliver advice across a broad range of areas such as valuations, benefit design, investment strategy and government policy.

In addition to advising government, trustees and employers, there may also be opportunities to work in UK and International Social Insurance. As your experience grows you can expect to have regular client contact.

To help you qualify as quickly as possible we offer substantial study support with generous study leave and paid for tutorials, courses, exam entry and exam counselling. We also provide one of the finest training programs in the industry with a range of professional briefings, management and business courses to enable you to develop into a leading all-round actuarial consultant.
